Re: Rifle Range Access

With the countless hours of work that went into designing and building the improved range it is incumbent on us to operate the range in a safe and professional manner.

That being said the Board of Directors has decided use of the range will be by access card. This is the same access card used for the club house. Once a member has reviewed the new range rules and regulations and signed a form acknowledging them, their card will be activated for access to the rifle range. For those members without a card they can be issued for a \$10 deposit.

Range acknowledgement forms and access cards will be available for issue on the following dates:

Sunday, October 12th, 1-4PM

Tuesday, October 21st, 630-730PM
